Space and Naval Warfare Systems Center Charleston Awards Contract

CHARLESTON, S.C. — ManTech Systems Engineering Corporation, of Fairfax, Va., is being awarded a \$7,919,990 Indefinite Delivery/Indefinite Quantity, Cost-Plus-Fixed-Fee type contract for engineering, communication, software development, configuration management, product improvement, quality assurance, logistics, and life cycle management support for various command, control, communications, computers, intelligence, surveillance, and reconnaissance (C⁴ISR) systems, requirements, programs, and projects. This contract includes options, which, if exercised, would bring the cumulative value of the contract to \$40,943,625. Work will be performed in Charleston, S.C. (62%) and Lexington Park, Md. (38%) and is expected to be completed by October 2007. Contract funds in the amount of \$25,000 will not expire at the end of the current fiscal year. This contract was competitively procured under full and open competition. The Request for Proposal was posted on the SPAWAR Systems Center E-Commerce website and four offers were received. The Space and Naval Warfare Systems Center, Charleston S.C. is the contracting activity (N65236-03-D-6829).
